Petitioner wants a water connection and submits that he has been waiting for several years for the same. Hence this writ petition has been filed for appropriate orders.

2. Learned Standing Counsel for the respondents on instruction submits that in view of the limited capacity of the pipes, since 1996 Water Authority has not given any connection and that applications were also not issued to anyone. It is submitted that in view of the recent commissioning of the HUDCO project there is improvement in the situation and that position is being reviewed by the Water Authority and further course of action will depend upon the ongoing review.

Recording the above submission, this writ petition is closed.
